

WIB working group LEVEL and PRESSURE

Kees Biesheuvel,

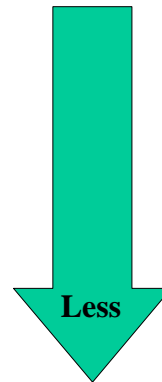

**Is the world  
changing fast ??**

- safe
- reliable
- easy to use
- costly

## **Safe**

Overflow behavior  
Handling

## **Reliable**

Life expectancy of  
modern electronics

## **Easy to use**

Still need a significant degree of  
know how of IT and application  
to use modern instruments.

## **Costly**

When does the money  
clock tick the fastest

**Is the world  
changing fast ??**

**It depends on how often you  
look.**
